

AlgorithmKolejka::runAlgorithm

```
graph LR; A[AlgorithmKolejka::runAlgorithm] --> B[Kolejka::enqueue]; B --> C[Kolejka::increase];
```

The diagram illustrates a sequence of three operations in a flowchart. The first operation, 'AlgorithmKolejka::runAlgorithm', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box containing the second operation, 'Kolejka::enqueue'. Another blue arrow points from the 'Kolejka::enqueue' box to a final white rectangular box containing the third operation, 'Kolejka::increase'.

Kolejka::enqueue

Kolejka::increase
