

TabLista::insert

```
graph LR; A[TabLista::insert] --> B[TabLista::increase]
```

A diagram showing a call from the `TabLista::insert` function to the `TabLista::increase` function. The `TabLista::insert` box is shaded gray, and the `TabLista::increase` box is white. A blue arrow points from the right side of the `TabLista::insert` box to the left side of the `TabLista::increase` box.

TabLista::increase
